No. 921/SS77/BIE 7/13 1 Date 5.08.2013

Subject: Thanks to All

Dear All,

We have conducted the visit of Expert Committee members of National Board of Accreditation successfully.

This has been possible only with your genuine help and cooperation. I on behalf of all the staff, students and management would like to thank all of you for your kind cooperation and help. I would like to express my sincere gratitude to the President, BSET Society, the Secretary, BSET Society, the Director Coordination and the Board of Governors for their constant support and guidance and for providing all sorts of facilities for the same. I am also very much thankful to the Co-ordinator NBA, all Deans, all HODs and HOOs and the students, Alumni, Parents who have made us proud in front of the team NBA. Also, I would like to thank all the supporting staff and DLR staff who have taken a lot of pain to meet the inspection.

A large number of faculty members and staff members have helped us in the successful conduct of the NBA team's visit and I would like to thank them all for their co-operation. Last but not the least; I would like to thank the HOD Mechanical, HOD Civil and HOD ETC & their team for their tremendous effort. In fact all of them have spent days and nights with a lot of responsibilities on head and tried their level best with us for the last four to five months to make it a grand success.

Basing on the report of the Expert Committee members during exit meet on 4.8.2013 we expect that our institution is likely to be accredited. It will be a great achievement and a matter of pride for all of us. Accreditation or quality is a journey and not the destination. So it is the duty of all of us to keep up the good work and maintain and grade quality in our Institution. If we all work with commitment and dedication, honesty and integrity and with a sense of pride we can make the Institution a Centre of Excellence.

Thanking You,

With Regards,

Principal
