

BSET GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi)

Start with a Dream...

Finish with a Future...

36

YEARS OF

EXCELLENCE

BIET, BHADRAK

Message from the Chairman's Desk

Bhadrak Institute of Engineering and Technology (BIET) is committed to build a congenial atmosphere in which coexistence is essential to create an intellectual academic community. We believe that we have a special responsibility to nature co-operation, tolerance and mutual respect in our nation of diversity. We will make the college a place to promote freedom of thought, innovation and creativity which are essential for academic excellence. Each one of us has a continuing commitment to articulate, reinforce and reflect our national values.

To embark on a journey of success one needs the tools of preparedness, foresight and strategy. These lead to the path of growth and excellence. It is imperative to combine these three forces in knowledge assimilation, where every day and every semester acts like a pivot, tilting the pan balance of life in favour of professional excellence.

We extend a warm welcome to the wards, to brighten their future, and be confident that you will be set on the onward march to launch into this competitive world towards a Golden Dawn. Come, let us join hands in transforming India into a third world best continent in the days to come, making our dream comes true.

Message from the Principal's Desk

Prof. (Dr.) Chandan Kumar Samanta

The advent of Globalization has ushered in a golden age of revolution. This has a tremendous impact on the way we grow. Our pursuit of excellence over the last 21 years has enabled us to build the state-of-the-art infrastructure and equipment to meet those expectations. Our staff continually strive to update themselves to keep up with the ever changing technology landscape, So as to help the students gain a sense of self esteem and emerge as competent professionals of rear distinction. I sincerely wish the young minds would grow in a caring atmosphere in our campus, share our vision and fulfill their ambition in BIET. I would like to convey my greetings and good wishes to students, teacher, guardians and well-wishers who have given their relentless effort and attraction for BIET and its academic ambience. Come and join us to feel it experience the happenings.

Vision

- ★ To contribute to india in the world through excellence in scientific & technical Education & research
- ★ To serve as a valuable resource for industry & society & remain a source of pride for all Indians.

Mission

- ★ To generate new knowledge by enjoying in cutting edge research and to promote academic growth by offering state-of-the art under graduate, post graduate and doctoral programmes.
- ★ To undertake collaborative project which offers opportunities for long term interaction with academic and industry.
- ★ To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a profession. Academic integrity and accountabillty.
- ★ Appreciation of intellectual excellence and creativity.
- ★ An unfettered spirit of exploration and enterprise.

The Institute...

Bhadrak institute of Engineering & Technology (BIET) was established in 1997 with the prime objective to produce technocrats and scientists who would engage in research, design and development to help building the nation . The institute, run by BSET Group of Institutions. BIET is one of the pioneer institute of Engineering in the state of Odisha. It is duly recognised by Govt. of Odisha, approved by All India Council for Technical Education (AICTE), New Delhi and affiliated to Biju Pattnaik University of Technology (BPUT), Rourkela, Odisha

Infrastructure

- ★ Well planned lush green campus spread over about 100 acres of area.
- ★ Well - equipped labs computer lab with sophisticated equipment.
- ★ Cutting edge computer lab with latest hardware, software and net working.
- ★ Well stocked fully digital e-library with air conditioned reading room facility.
- ★ Internet facility with Wi-Fi campus.
- ★ Highly qualified, experienced, dedicated and student friendly faculty.

Facilities

The institute provides a wide range of facilities to the students. In addition to in-campus separate hostels for Boys and Girls with modern amenities, hygienic food, round the clock power supply and well organised transportation system, the campus is self contained with a public Health Center, a Post Office, Shopping Center, ATM, Multi-gym, a Canteen and all such other amenities required for common living, Residential quarters for faculty and staff members and guest house for visiting professors and other dignitaries are well within the campus. The institute boasts a large fleet of buses to provide transportation facility from vicinity regions.

Library

The Institute has an excellent fully air conditioned e-library that serves as a knowledge resource to the need of the teachers and students. It is a well-stocked library for the engineering programme with more than 70,000 volumes of text books, 170 journals & 30 periodicals of national and international repute. The library provides numerous e-documents and video courses that access to substantial records of books, articles and e-journals.

Computer Centre

Besides the Network Lab I & II, Graphics Lab, Application Lab-I & II, Project Lab, And Programming Lab latest Configured PCs as per the curriculum, the institute has a Central Computing Center with internet facility available for 24 hours through wireless networking.

Hostel

The institute provides separate hostel facilities for the boys and girls with internet connectivity by Wi-Fi systems within the campus . The hostel accommodation for the boys and the girls on the campus are as given. East Hostel - 200 seats, West Hostel-200 seats, North Hostel- 200 seats, Ladies Hostel (I&II)-340 seats.

04 BSET

Courses Offered

B.TECH

Civil Engineering	120
Mechanical Engineering	120
Computer Science & Engineering	90
Electrical Engineering	60
Electronics & Telecommunication Engineering	90
Information Technology	60

In addition, 20 percent of the intake capacity in each branch of B.Tech course is filled up on lateral entry basis in the third semester.

The engineering programme is designed as per the curriculum of BPUT, Rourkela, Odisha. Admission into 1st year courses are through JEE MAIN Entrance Examination conducted by CBSE and the admission into 3rd semester is through OJEE conducted by Government of Odisha.

M.TECH

The master's programme in engineering was introduced in 2012 with the objective of serving the society by disseminating technical knowledge and also producing quality technical manpower. The inclusion of master's programme has given a major boost to the research activities of the faculties and helps them refine their works. We consider this as another step in our pursuit of intellectual and technical brilliance.

The Institute offers Two Year - M.Tech - M.Tech courses in :

Electronics & Telecommunication Engineering	24
Mechanical Engineering (Thermal Engg.)	24
Civil Engineering (Structural Engg.)	24
Computer Science & Engineering	24

Admission to M.Tech is through PGAT (OJEE) examination conducted by the Govt. of Odisha & GATE examination. Preference is given to valid GATE Scorers.

MBA

The Introduction of MBA in HR, Marketing, Finance & Operation Management have given a major boost to produce future managers who will serve the business world. The Institute offers regular MBA programme with an intake capacity of 60 students.

Diploma Course

Barapada school of Engineering & Technology (BSET), established in 1982 has completed 36 glorious years. Ranked as one of the premiere Diploma institute in entire state, BSET has always been the first choice of students and their parents.

The Institute offers Three-Year Diploma Courses in :

Mechanical Engineering	120
Civil Engineering	120
Electrical Engineering	90
Electronics & Telecommunication Engineering	90
Computer Science & Engineering	60
Information Technology	30

in addition, 20 percent of the intake capacity in branch of diploma course is filled up on lateral entry basis in the third semester.

The Diploma programme is designed as per the curriculum of State council for Technical Education and Vocational Training (SCTE&VT), Odisha. Admission into courses are through the Central Admission Committee by the Government of Odisha.

ITC

The Institute offers ITC Courses in the following trades with an objective to cater skilled main power to meet the growing industry standards.

- ✦ **Fitter**
- ✦ **Electrician**
- ✦ **COPA**
- ✦ **Electronics Mechanic**

Extra curricular Activities

The students have brought laurels to the institute by participating in different extra-curricular activities like Quiz, Debate, Dance, Song and Acting Competition at the State & National level. As sports and games are indispensable for all round development. The Annual athletic meet is held every year. The Institute encourages its budding talents to participate in different robotics, software designing and other innovative competitions held in different parts of the country. The Institute has NSS wing which regularly involves itself in different social welfare and developmental works. The institute also organizes yoga camps to keep the students mentally and spiritually active.

Study loan and Scholarship

As a policy of the Government, almost all the banks come forward to provide study loan for higher education. The Institute provides all the details and relevant documents to avail the bank loan. BIET offers scholarship for excellence in academic as well as extracurricular activities.
